Field name	Schema	Element				
Item access	Documents	security	16. Rights	25. Limitations on public access	conditions	Visible to
Item content	Documents	content				
Item description	Documents	formatdesc	17. Description (with type attribute)		description	File Title
Item embargo	Documents	embargo				
Item format	Documents	format	14. Format	21. Data format	fileType	Format
Item licence restrictions	Documents	license	16. Rights	26. Use constraints	restrctn	
Item metadata version	Documents	rev_number	15. Version	08. Dataset reference date	version	
Item MIME type	Documents	mime_type	14. Format	21. Data format	format	Format
Item title	Documents	item_title	17. Description (with type attribute)		description	File Title
Abstract	Eprints	abstract	17. Description (with type attribute)	04. Resource abstract	abstract	Description
Deposit date	Eprints	datestamp		08. Dataset reference date	depDate	Deposited On
Depositor	Eprints	userid		23. Responsible organisation	depositr	Deposited By
Divisions	Eprints	divisions		23. Responsible organisation		School or Centre
Keywords	Eprints	keywords		06. Keyword	keyword	
Subject	Eprints	subjects	6. Subject (with schema attribute)	05. Topic category	topcClas	Topics; Subjects
Title	Eprints	title	3. Title (with optional type attribute)	01. Title	titl	Title
Unique resource identifier	Eprints	id_number	1. Identifier (with type attribute)	36. Unique resource identifier	IDNo	ID Code
Access	Eprints	access	16. Rights	25. Limitations on public access	conditions	Visible to
Additional information	Eprints	note				Additional Information
Alternative title	Eprints	alt_title			altTitl	Alternative Title
Bounding box: East	Eprints	eastlongitude		11. (W,E,N,S) bounding lat/long	eastBL	Spatial Coverage
Bounding box: North	Eprints	northlatitude		11. (W,E,N,S) bounding lat/long	northBL	Spatial Coverage
Bounding box: South	Eprints	southlatitude		11. (W,E,N,S) bounding lat/long	southBL	Spatial Coverage
Bounding box: West	Eprints	westlongitude		11. (W,E,N,S) bounding lat/long	westBL	Spatial Coverage
Collection date	Eprints	date + date_type	8. Date (with type attribute)	08. Dataset reference date	timePrd	Date of Collection
Collection methodology	Eprints	coll_samp		10. Lineage	sampProc; collMode	
Contact	Eprints	contact_email		35. Metadata point of contact	contact	
Contributors	Eprints	contributors %id %name %type		23. Responsible organisation	creators; dataCollector	Contributors; Corporate Contributors
Copyright	Eprints	copyright_holders	16. Rights	23. Responsible organisation	copyright	
Corporate creators	Eprints	corp_creators	2. Creator (with name identifier attributes)	23. Responsible organisation	AuthEnty	Corporate Data Creators
Creators	Eprints	creators %id %name	2. Creator (with name identifier attributes)	23. Responsible organisation	AuthEnty	Data Creators
Funder	Eprints	funders			fundAg	Funder
Grant number	Eprints	grant			grantNo	
Lineage	Eprints	lineage		10. Lineage	dataSrc	Source
Note	Eprints	suggestions			cleanOps; conOps	
Publication date	Eprints	date + date_type	5. PublicationYear	08. Dataset reference date	distDate	
Publisher	Eprints	publisher	4. Publisher	23. Responsible organisation	producer	
Related resources	Eprints	relation %type %uri		10. Lineage		Related Publications; Official URL; Alternative Locations
Resource type	Eprints	type	10. ResourceType (with description attribute)	39. Resource type	dataKind	
Restrictions	Eprints	restrictions	16. Rights	26. Use constraints	restrctn	Ethics Approval
Spatial coverage	Eprints	geog		17. Spatial reference system	geogUnit	
Status	Eprints	ispublished		24. Frequency of update	frequency	
Temporal extent	Eprints	date + date_type	8. Date (with type attribute)	07. Temporal extent	timePrd	Time Period Covered
Version	Object Revisions	revision	15. Version	08. Dataset reference date	version
